## **LETTER FROM THE LSN PRINCIPAL**

Dear Bronco Students and Parents,

On behalf of the Lee's Summit North faculty, welcome to Lee's Summit North High School, home of the Broncos! We are excited to have you and your family join or return to Bronco Nation! Our highly qualified and dedicated staff is ready to serve our school community and help continue our student's education during the 2022-2023 school year.

We also encourage and welcome your involvement to help us with having a positive and successful school year. The staff at Lee's Summit North is exceptionally proud of current and past academic accomplishments. As one of the best high schools in the state of Missouri, as listed in U.S. News and World Report's annual ranking, we are equally as proud of student success in co-curricular and extracurricular activities. These accomplishments are a direct result of students getting involved in all Lee's Summit North offers. Creating a sense of community for our students, parents, and staff is one of our three school goals. I encourage each student at LSN to get involved in at least one school activity if not many more. With the connections made in these activities, students will find their time at school more enjoyable and will create a community of activity and academic support they can rely on.

We are looking forward to working with each of you this school year. If you have questions, please contact us at 816-986-3000.

Tim Collins, Principal

Lee's Summit North High School

## **A SELECTION OF DISTRICT POLICIES**

*The complete Board of Education policies, as well as the complete Lee's Summit North High School handbook, are available on-line. <http://www.leesummit.k12.mo.us>*

### **Common Sense Statement**

No handbook can contain policies for every possible eventuality. Any action that would create an environment contrary to the district's and school's missions will not be acceptable. If the action creates an environment in which learning is not the primary focus, disciplinary action will result. Students are expected to use "common sense" in making decisions about their behavior choices. Discipline is progressive based on the number of infractions.

## **PROHIBITION AGAINST DISCRIMINATION, HARASSMENT AND RETALIATION**

### **Anti-Discrimination Law Compliance**

The Lee's Summit R-7 School District Board of Education is committed to maintaining a workplace and educational environment that is free from discrimination and harassment in admission or access to, or treatment or employment in, its programs, services, activities and facilities. The district strictly prohibits discrimination and harassment against employees,

students or others on the basis of race, color, religion, sex, gender identity, sexual orientation, national origin, ancestry, disability, age, genetic information or any other characteristic protected by law. The Lee's Summit R-7 School District is an equal opportunity employer.

The District has a grievance procedure to provide formal resolution of complaints that policy AC has been violated. Please refer to Board policy AC for procedures and definitions. For the District's Title IX sexual harassment policy and grievance procedure, please refer to Board policy ACA

### **The Board is an equal opportunity employer.**

Marital, maternal, or paternal status shall not affect the rights and privileges of district students to receive an education. Those students are eligible to participate in all activities and receive all honors the same as any other students enrolled in the school district.

### **Collateral Prohibitions**

As part of this obligation, the Board is also prohibited from, and declares a policy against:

- Retaliatory actions based on making complaints of prohibited discrimination or participation in an investigation, formal proceeding, or informal resolution concerning prohibited discrimination;
- Aiding, abetting, inciting, compelling, or coercing discrimination; and,

## **PUBLIC NOTICE**

### **PROGRAMS FOR HOMELESS STUDENTS**

The Lee's Summit R-7 School District Board of Education recognizes that homelessness alone should not be sufficient reason to separate students from the mainstream school environment. Therefore, the district, in accordance with state and federal law and the Missouri state plan for education of the homeless, will give special attention to ensure that homeless students in the school district have access to a free and appropriate public education.

### **ASBESTOS**

The district shall survey and assess the exposure of friable asbestos in all buildings. This report shall be filed with appropriate state agencies, and will be available for public review in the superintendent's office. The district shall take all steps necessary to comply with the Asbestos Hazard Emergency Response Act, as described in regulations of the Environmental Protection Agency (EPA).

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Lee's Summit R-7 School District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Lee's Summit R-7 School District assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Lee's Summit R-7 School District assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Lee's Summit R-7 School District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed anytime Monday - Friday from 8:00 a.m. – 4:00 p.m. at the Stansberry Leadership Center, located at 301 NE Tudor Road, Lee's Summit, Missouri.

## **STUDENT RECORDS**

### **Provisions and Guidelines**

Education records shall be retained according to the guidelines set forth in the *Missouri Public Schools Records Manual*.

Teacher and staff comments on student records will be confined to matters related to student performance.

It is the responsibility of the principal and the professional staff of the school to see that such records are kept in the proper manner and are utilized in accordance with the law.

### **Review of Education Records by Parents/Guardians or Eligible Students**

Education records shall be open for inspection by parents/guardians of a student or an eligible student. Both parents/guardians have access to their child's school records until and unless a court orders otherwise. Therefore, a copy of any applicable court order that restricts any parent's access to the student's education records must be filed with the school principal in order to certify to the district that a parent's/guardian's access rights are limited or denied pursuant to the court's directions.

Parents/Guardian's or eligible students should submit to the student's school principal a written request that identifies as precisely as possible the record or records they wish to inspect. The principal (or appropriate school official) will make the needed arrangements for access as promptly as possible and notify the parent/guardian or eligible student of the time and place where the records may be inspected. Access must be given in 45 days or less from the date of receipt of the request. When a record contains information about students other than a parent's child or the eligible student, the parent/guardian or eligible student may not inspect and review the portion of the record that pertains to other students.

If a parent/guardian or eligible student believes the education records related to the student contain information that is inaccurate, misleading or in violation of the student's privacy, they may ask the district to amend the record by following the appeals procedures outlined in Section G of this regulation.

### **Transfer of Education Records**

The district will respond to a request for records from another school district enrolling a student within five business days of receiving the request. However, if the student's record has been marked pursuant to notification by the highway patrol that the student has been classified as a missing child, the record shall not be forwarded to the requesting district and the district will notify the missing persons unit of the highway patrol of the record request.

Upon notification that a student has transferred to any other school district, the district will forward any written notification the district has received from a juvenile officer, sheriff, chief of police, or other appropriate law enforcement authority that a petition has been filed in juvenile court alleging that the student has committed an offense, and the notification of disposition of such case, to the superintendent of the new school district in which the student has enrolled.

### **Annual Notification of Rights to Parents and Students**

The district shall annually notify parents of students currently in attendance, or eligible students in attendance of their rights under the Family Educational Rights and Privacy Act (FERPA) and of FERPA regulation by publication in the student handbook(s) or by distributing notification to the parents or eligible students at the beginning of the school year.

Parents and/or students may request that the district not use a student's social security number at the time of enrollment.

### **Release of Education Records**

Disclosure of information from a student's education records will be made only with the written consent of the parent/guardian or eligible student, subject to the following exceptions:

The district may disclose education record information without consent when disclosed:

- To school officials who have a legitimate educational interest in the records.
- To officials of another school, upon request, in which a student seeks or intends to enroll.
- To authorized representatives of state and local educational authorities.
- To law enforcement and juvenile justice authorities if the disclosure concerns law enforcement's or juvenile justice authorities' ability to effectively serve, prior to adjudication, the student whose records are released.
- To accrediting organizations to carry out their accrediting functions.
- To parents/guardians of a dependent student, as defined in section 152 of the Internal Revenue code of 1954.
- To parents/guardians of a child who is not an eligible student, or to the child.
- To comply with a judicial order or a lawfully issued subpoena.
- In connection with a student's request for or receipt of financial aid to determine the eligibility amount, or conditions of the financial aid, or to enforce the terms and conditions of the aid.
- To the Comptroller General of the United States, the Attorney General of the United States, the Secretary of the United States Department of Education or an official or employee of the Department of Education acting for the Secretary under a delegation of authority, or state and local education authorities in connection with an audit or evaluation of federal or state supported education programs or for the enforcement of or compliance with federal legal requirements relating to these programs.
- To appropriate parties in a health or safety emergency.
- To other persons authorized to receive education records pursuant to FERPA.

The school district will maintain a record of all requests for and/or disclosures of information from a student's education records. The record will indicate the name of the party making the request, any additional party to whom the information may be redisclosed, and the legitimate interest the party had in requesting or obtaining the information. The record may be reviewed by the parents or eligible student. This paragraph does not apply if the request was from or the disclosure was to the parent or eligible student, school officials within the district who have a legitimate educational interest in the student's education records, a party with written consent from the parent or eligible student, a party seeking "Directory Information," or a party seeking or receiving the records as directed by a federal grand jury or other law enforcement subpoena and the issuing court or other issuing agency has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed.

### **Appeals Procedures**

Parents, guardians, or eligible students have the right to ask to have education records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights.

Parents or eligible students interested in the appeals procedure can reference R-7 Board Policy JO-R.

### **Destruction of Records**

Generally, special education records containing personally identifiable information will be destroyed three years from the date the student was last served by the District. If parents/guardians want a copy of their student's special education record, please contact the registrar or attendance secretary at the building the child last attended. A child's permanent record, including the student's name, contact information, birth record, grades, class rank, standardized test scores, and grade level completed, will be retained by the District.

### **STUDENT DIRECTORY INFORMATION**

Directory information is information contained in an education record of a student that generally would not be considered harmful or an invasion of privacy if disclosed without the consent of a parent or a student who is 18 years of age. The district will designate the types of information included in directory information and release this information without first obtaining consent from a parent or a student who is 18 years of age unless they notify the district in writing as directed. Parents and students who are 18 years of age will be notified annually of the information the district has designated as directory information and the process for notifying the district if they do not want the information released.

Even if parents or students who are 18 years of age notify the district in writing that they do not want directory information disclosed, the district may still disclose the information if required or allowed to do so by law. For example, the district may require students to disclose their names, identifiers or district e-mail addresses in classes in which they are enrolled, or students may be required to wear, publicly display or disclose a student identification card or badge that exhibits information that is designated as directory information.

The school district designates the following items as directory information.

*General Directory Information* – The following information the district maintains about a personally identifiable student may be disclosed by the district to the school community through, for example, district publications, or to any person without first obtaining written consent from a parent or eligible student:

Student's name; date of birth; parents' names; grade level; enrollment status (e.g., full-time or part-time); student identification number; user identification or other unique personal identifier used by the student for the purposes of accessing or communicating in electronic systems as long as that information alone cannot be used to access protected educational records; participation in district-sponsored or district-recognized activities and sports; weight and height of members of athletic teams; athletic performance data; dates of attendance; degrees, honors and awards received; artwork or course work displayed by the district; schools or school districts previously attended; and photographs, videotapes, digital images and recorded sound unless such records would be considered harmful or an invasion of privacy.

*Limited Directory Information* – In addition to general directory information, the following information the district maintains about a personally identifiable student may be disclosed to: parent groups or booster clubs that are recognized by the Board and are created solely to work with the district, its staff, students and parents and to raise funds for district activities; governmental entities including, but not limited to, law enforcement, the juvenile office and the

Children's Division (CD) of the Department of Social Services: The student's address, telephone number and e-mail address and the parents' addresses and telephone numbers.

### **Law Enforcement Access**

The district may report or disclose education records to law enforcement and juvenile justice authorities if the disclosure concerns law enforcement's or juvenile justice authorities' ability to effectively serve, prior to adjudication, the student whose records are released. The officials and authorities to whom such information is disclosed must comply with applicable restrictions set forth in federal law. If the district reports a crime committed by a student with a disability as defined in the Individuals with Disabilities Education Act (IDEA), the district will transmit copies of the special education and disciplinary records to the authorities to whom the district reported the crime as allowed by law.

Law enforcement officials also have access to directory information and may obtain access to student education records in emergency situations as allowed by law. Otherwise, law enforcement officials must obtain a subpoena or consent from the parent or eligible student before a student's education records will be disclosed.

### **Children's Division Access**

The district may disclose education records to representatives of the CD when reporting child abuse and neglect in accordance with law. Once the CD obtains custody of a student, CD representatives may also have access to education records in accordance with law. CD representatives may also have access to directory information and may obtain access to student education records in emergency situations, as allowed by law.

### **Military and Higher Education Access**

The district will disclose the names, addresses and telephone numbers of secondary school students to military recruiters or institutions of higher education as required by law.

However, if a parent or a secondary school student who is at least 18, submits a written request, the district will not release the information. Parents or a secondary school student who is at least 18, must notify the Registrar in writing at LSNHS, 901 N.E. Douglas, Lee's Summit, MO 64086, within ten days of receiving this handbook.

## **SURVEYS AND COLLECTION OF STUDENT INFORMATION**

The Protection of Pupil Rights Amendment (PPRA) affords parents/guardians certain rights regarding our conduct of survey, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

### **Inspection**

Any parent/guardians may inspect, upon request, any instructional material used as part of the educational curriculum and all instructional materials, including teachers' manuals, films, tapes or other supplementary material, that will be used in connection with any survey, analysis or evaluation as part of any applicable program. Further, a parent may inspect, upon request, a survey created by a third party before the survey is administered or distributed by a school to a student. The term "instructional material" does not include academic tests or academic assessments.

In general, the district will not collect, disclose or use personal student information for the purpose of marketing or selling that information or otherwise providing the information to others for that purpose. In the rare case where the district may collect information from students for the purpose of marketing or selling that information, parents/guardians may inspect any instrument used before the instrument is administered or distributed to a student, upon request and in accordance with Board policy.

## **Consent Required**

In accordance with law, no student, as part of any program wholly or partially funded by the U.S. Department of Education, shall be required to submit to a survey, analysis or evaluation (hereafter referred to as "protected information survey") that reveals any of the following information without written consent of a parent/guardian:

1. Political affiliations or beliefs of the student or the student's parent/guardian.
2. Mental or psychological problems of the student or the student's family.
3. Sex behavior or attitudes.
4. Illegal, antisocial, self-incriminating or demeaning behavior.
5. Critical appraisals of other individuals with whom respondents have close family relationships.
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers.
7. Religious practices, affiliations or beliefs of the student or the student's parent/guardian.
8. Income other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.

## **Notice and Opportunity to Opt Out**

In accordance with law, parents/guardians will receive prior notice and an opportunity to opt a student out of:

1. Any other protected information survey, as defined above, regardless of the funding source.
2. Any nonemergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and not necessary to protect the immediate health and safety of a student, or any physical exam or screening permitted or required under state law, except for hearing, vision or scoliosis screenings.
3. Activities involving the collection, disclosure or use of personal information obtained from students for marketing, selling or otherwise distributing information to others.

The district will directly notify parents at the beginning of the school year of the specific or approximate dates during the school year when the above-listed activities will occur or are expected to be scheduled.

## **Notification of Policy and Privacy**

In accordance with law, parents/guardians will be directly notified of this policy at least annually at the beginning of the school year and within a reasonable period of time after any substantive change in the policy.

The district will take measures to protect the identification and privacy of the students participating in a protected information survey, regardless of the source of funding. These measures may include limiting access to the completed surveys and the survey results as allowed by law. All student educational records will be protected in accordance with law and Board policy JO.

The provisions of this policy applicable to parents/guardians will transfer to a student who is 18 years old or emancipated.

Parents/Guardians who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, US Department of Education, 400 Maryland Ave., SW Washington, D.C. 20202-5920

## **PUBLIC SOLICITATIONS & ADVERTISING IN DISTRICT FACILITIES**

The Board of Education recognizes that business and cultural organizations make available for public use much information that is of great value in advancing student education. Much of this information is not available through other sources. Board of Education Policy provides for the use and dissemination of information from private sources that tends to strengthen the curriculum and benefit the students while also protecting students and families from exploitation by companies, organizations or groups. More detailed information regarding solicitation and advertising is available in the complete Board of Education Policy KI.

## **HUMAN SEXUALITY CURRICULUM NOTIFICATION**

Human sexuality curriculum may be delivered through courses in Family and Consumer Sciences, Biological and Life Sciences, Health and Wellness, and Social Sciences. Specific descriptions of individual courses are included in the *Program of Study Book*. Parents, guardians and students are encouraged to review course descriptions prior to enrollment.

When parents/guardians prefer that their child not receive instruction in the human sexuality curriculum, a written notice must be provided to the classroom teacher.

## **ACADEMIC AND GRADING INFORMATION**

### **A+ SCHOOLS GRANT PROGRAM**

The A+ Schools Program provides financial incentive to qualified A+ graduates to continue their education beyond high school. A+ graduates may be eligible to receive reimbursement for the cost of tuition while attending a Missouri public community college or vocational/technical school on a full-time basis. It is **recommended that all students enroll in the A+ Schools Program** and work toward graduating with A+ status.

**To graduate with A+ status a student must meet ALL of these requirements:**

- Attend a designated A+ School for three consecutive years (grades 10-12) prior to high school graduation.
- Graduate with an unweighted cumulative GPA of 2.5 or higher on a 4.0 scale.
- Graduate with at least 95% ADA (Average Daily Attendance) for grades 9-12.

- Perform and document 50 hours of unpaid district tutoring or mentoring coordinated through the LSN A+ Office.
- Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol.
- Perform all other duties and obligations required by state law to be eligible for and receive the benefits of the A+ program.
- Students must achieve a qualifying score on the Algebra I EOC (proficient or advanced) or the math portion of the ACT or COMPASS.

A+ graduates do not have to access the financial incentives immediately; they can access the benefits up to four years after graduation. Graduating with A+ status does not mean one is limited to attending a public community college or vocational/technical school as several colleges and universities offer scholarships to A+ graduates. The A+ financial incentive is dependent upon state appropriation from the Missouri General Assembly. This financial incentive will be for the unpaid balance after federal post-secondary financial assistance funds (that do not require repayment) have been applied to college expenses.

Misbehaving during tutoring/mentoring time will result in a meeting with the student, administrator, and A+ Coordinator. The student may be placed on probation for the remainder of their years as an A+ student. If a second infraction occurs, the student may be removed from the A+ program. In the case of a serious infraction during tutoring/mentoring time, the student may immediately be deemed ineligible for further tutoring or mentoring.

To sign up for the A+ Schools program, pick up an A+ Agreement from the A+ Office or print one from the A+ website.

## **ACADEMIC LETTER**

Any student enrolled in and receiving credit for a minimum of 5 courses during a semester, who has attained at least a 4.0 grade point average during any semester will receive an academic letter. Fall semester qualifiers will be recognized in the spring at the Academic Achievement Awards ceremony. Spring qualifiers will be recognized during the following year's ceremony.

## **ACCREDITATION OF SCHOOLS**

Schools in the district meet all requirements for Accreditation with Distinction by the Missouri State Department of Education. Lee's Summit North High School programs and facilities are subject to ongoing evaluation as part of the Missouri School Improvement Plan.

## **ADVANCED STUDIES AND RECOGNITION PROGRAM**

The Advanced Studies and Recognition Program offered by Lee's Summit North High School is based on the premise that the school system has a responsibility (1) to challenge highly motivated and academically talented students, (2) to increase students' opportunity for admission to leading institutions of higher learning, (3) to enhance the students' possibilities for receiving placement and credit in college for advanced work completed in high school, and (4) to provide recognition for achievement which will increase the chances of consideration for financial aid toward college.

The Advanced Studies and Recognition Program encompasses the following:

- Honors courses
- Advanced Placement (AP)

- College courses for credit
- International Baccalaureate Program

Courses taken in the Advanced Studies and Recognition Program receive extra weightiness in the grading system. Students enrolled in the Advanced Studies/AP courses receive a weighted value of .50 on a 4.0 scale. Students enrolled in the IB and AP courses will receive a weighted value of 1.0 on a 4.0 scale. Students enrolled in college credit or Honors courses receive a weighted value of .66 on a 4.0 scale. Students enrolled in IB and AP courses are required to take IB/AP exams to receive weightiness in the course.

## **ASSESSMENTS**

In order to achieve the purposes of the student assessment program, the district requires all enrolled students to participate in all applicable aspects of the assessment program.

## **FINAL CLASS RANKINGS AND GRADE POINT AVERAGE (GPA)**

Final class ranking and GPA will be based on eight (8) semesters of course work.

## **GRADE REPORTING**

Students are issued a six and twelve-week progress report each semester and a final semester grade at the end of each 18-week semester. Students and parents are reminded that the six and twelve week progress reports indicate the progress of the student at the time the report is issued and that a cumulative grading system is utilized for the semester.

The student will receive progress and semester grade reports on the following dates:

### **End of Grading Period**

Six Weeks–October 5  
Twelve Weeks–November 16  
First Semester– December 22  
Six Weeks–February 15  
Twelve Weeks–April 5  
Second Semester–May 24

### **Grades Issued**

Six Weeks–October 10  
Twelve Weeks–November 21  
First Semester–January 9  
Six Weeks– February 21  
Twelve Week– April 10  
Mailed home–June 2

Grade reports are distributed to students during the school day for the first five grading periods only. The final grade card is mailed to the home address.

## **GRADING SYSTEM**

The high school uses a four-point system of grading (A= 4, B=3, C=2, D=1, F=0) with a minus and plus option.

- Grade A—Excellent
- Grade B—Superior, Above Average
- Grade C—Average
- Grade D—Below Average, Yet passing
- Grade F—Failing, work unsatisfactory. Requirements not met. No credit will be issued

## **Grading Scale**

The following standardized grading scale is used:

A	=	95 -100	C	=	73-76
A-	=	90 - 94	C-	=	70-72

B+ = 87 - 89	D+ = 67-69
B = 83 - 86	D = 63-66
B- = 80 - 82	D- = 60-62
C+ = 77 - 79	F = 59 & below (No Credit)

## **HONOR ROLL AND PRINCIPAL'S HONOR ROLL**

The honor rolls are figured at the end of each semester. The Honor Roll includes all students who have achieved at least a 3.0 grade point average. The Principal's Honor Roll includes all students who have achieved at least a 3.5 grade point average. Students should see their guidance counselor or the registrar in the guidance office to obtain an up-to-date grade point average.

## **REQUIRED PROJECTS**

Some courses have required projects. A required project is defined as one of such importance that it must be completed if credit for the course is to be given. Failure to complete a required project will result in a semester grade of F.

## **TRANSFER STUDENTS WITH CREDIT**

It may be necessary to contact the sending school for clarification. The intent is to be fair without penalizing current or newly enrolled students.

For all incoming students, the counselor will evaluate transcripts. Courses that correspond with the LSR-7 high school's weighted courses will be granted the weight they would have received had the courses been taken here.

Because honors courses are not offered in 9th and 10th grades, but Advanced Studies courses are offered, honors 9th grade courses might be considered equivalent to Advanced Studies courses; however, they must correspond with the Advanced Studies curriculum. This policy will affect any enrolled student and is retroactive for all students.

## **ACTIVITY AND ATHLETIC INFORMATION**

### **MSHSAA ACTIVITY/ATHLETIC PARTICIPATION FEES**

The R-7 athletic/activity program goal reflects that student activities and athletics are an integral part of the total secondary educational program because they provide experiences that will help students to acquire additional knowledge and skills, plus they help students gain the attributes of good citizenship.

Students wishing to participate in any high school MSHSAA sponsored activity/sport will be charged \$50 for yearly participation. A maximum participation fee of \$100/family will be charged for participating in high school activities/sports. Please consult your building assistant principal/activities director for any questions or concerns regarding the high school participation fee.

The following guidelines will assist with implementation for the collection of fees:

1. The student will not be allowed to participate in activity/athletics at the high school until the fee is paid in full. It is the intent that all participation fees will be collected at registration. If a student decides to participate in a high school activity later in the school year, students must pay fees in the activities office.
2. If a student is cut from a team but has already paid the fee, he/she will be reimbursed.
3. If a student quits or is suspended from a team or performing group after the first scheduled event, no refund will be granted.

4. If a student is injured during or after the first scheduled game so that he/she can no longer compete, the fee will not be refunded.
5. Other extenuating circumstances, such as a student transferring to another district prior to the first activity or season or a student being placed on homebound, may be considered by the building administrator for reimbursement.
6. Students qualifying for the free lunch program will be exempt from the activity participation fee. Students qualifying for the reduced lunch program will pay 50% of the participation fee. Student/parent should contact the building principal to verify their free or reduced lunch status. Each case will be evaluated independently.

### **Lee's Summit R-7 Schools**

### **Guidelines for Non-Traditional Students who Desire Eligibility to Participate in MSHSAA**

#### **Activities/Athletics**

1. Non-traditional students must enroll and attend two classes (1.0 credits) each semester.

Pursuant MSHSAA By-Law 2.3.4.c, these two classes must be seat-time classes taken within the school building, they desire eligibility with.

2. Non-traditional students shall attend the school within their attendance area in which the student

resides per LSR7 Board Policy JCB-AP2.

3. Upon initial enrollment, the building principal or designee will review past classes, academic history, credits, logs, attendance, transcripts, etc. to determine “prior semester” credit earned to determine eligibility status.

4. The building principal or designee will review current semester classes enrolled in to approve and validate “outside” courses/credits are sufficient in allowing the non-traditional student to meet the 80% rule.

5. Non-traditional students will be provided clear confirmation of LSR7 close date of the semester:

this same timeline for completion of courses will also be in place for non-traditional students outside courses.

6. Non-traditional students must meet the essential eligibility standards, including the citizenship standard, semesters rule, age rule, etc. as traditional students.

7. If the non-traditional student participates in Band, Orchestra, or Choir, they must be enrolled in

the associated class in order to participate in music activities.

8. All non-traditional students will be held to the same policy and standards as traditional students

set forth by LSR7 student and activity handbooks.

9. Once enrolled, non-traditional students must enroll in all sequential semesters to maintain eligibility.

## **ATHLETIC PASSES**

### **High School Events**

Students may purchase athletic passes for \$35. This pass will admit the student to all home football, soccer, volleyball, wrestling, and basketball events. Regular admission to these events would cost over \$150. Tournaments, invitational, and MSHSAA events hosted by the school are special events, and the pass cannot be used for admission.

### **District Events**

A coupon ticket worth \$30 admission value for athletic events at any Lee’s Summit high school may be purchased for \$20 at the R-7 District Offices, at the administration offices of any high school, or at the gate of any varsity event. Any unused ticket can be used the following school year.

## **DANCES AND PARTIES**

During the school year several classes and organizations will sponsor dances and parties. Dances are open to enrolled members of the high school in good standing and one registered guest unless otherwise advertised by the school. The following regulations have been established by the Student Senate for dances or parties. These rules will be enforced:

- Student IDs are required for all student dances.

- Students leaving the building, during the dance or party may not return without the prior approval of a sponsor.
- School guests must be in the ninth grade or not have reached their 21<sup>st</sup> birthday and must be accompanied to a dance or party by a student enrolled in LSNHS.
- Some dances are restricted solely to LSNHS students or solely to LSNHS students and their registered guests.

- Any student who chooses to attend a school other than those specified above shall be eligible only at the sub-varsity level in all sports for 365 days from the date of promotion from the eighth grade or the highest grade of a junior high school administered as a separate school system.

### **NATIONAL COLLEGIATE ATHLETIC ASSOCIATION (NCAA)**

## **NATIONAL HONOR SOCIETY**

The Lee's Summit North High School Chapter of National Honor Society is a duly chartered and affiliated chapter of this prestigious national organization. Membership is open to those students who meet the required standards for selection established by the national office of NHS in four areas of evaluation: scholarship, leadership, service, and character.

- Acts of plagiarism, cheating and/or forgery/falsifying documents may result in exemption from NHS.
- Students are only eligible for membership after the first and second semesters of their junior year.
- Students or parents who have questions regarding the selection process or membership obligations can contact the Faculty Advisor.

## **NO HAZING POLICY**

Hazing is defined as any activity, on or off school grounds, that a reasonable person believes would negatively impact the mental or physical health or safety of a student or put the student in a ridiculous, humiliating, stressful or disconcerting position for the purposes of initiation, affiliation, admission, membership or maintenance of membership in any group, class, organization, club or athletic team including, but not limited to, a grade level, student organization or district-sponsored activity.

Hazing may include those actions that subject a student to extreme mental stress including, but not limited to, sleep deprivation, physical confinement, forced conduct that could result in extreme embarrassment or criminal activity, or other stress-inducing activities. Hazing may also include, but is not limited to: acts of physical brutality; whipping; beating; branding; exposing to the elements; forcing inhalation or consumption of any food, liquor, drug, tobacco/vape product, or other substance; or any other forced physical activity that could adversely affect the physical health or safety of an individual.

Hazing can occur even when all students involved are willing participants. Hazing does not occur when a student is required to audition or tryout for an organization when the criteria are reasonable, approved by the district and legitimately related to the purpose of the organization.

## **SCHOOL PRIDE**

Students at Lee's Summit North High School have developed many traditions since the doors opened in the fall of 1995. Those traditions have united the student body with a spirit of school pride.

Whether at a sporting event, music contest, debate competition, or in the classroom, LSNHS students show their school pride in all they do. Being proud of their school, teachers, teams, clubs, and others have made the many, diverse students become united as a single student body.

Supporting the LSN mission to "create a positive, caring environment where all students can learn" has helped make the students and staff into a school family in which caring for one another has become the standard of behavior.

The symbolism of the LSN colors, the meaningful lyrics of the songs, and the names given to the mascot and publications all echo the pride of belonging to an excellent school environment.

Any student ejected for poor sportsmanship or violation of behavior expectations will have disciplinary consequences. When ejected from a game, the ticket admission fee will not be refunded.

## **Interscholastic Behavior Procedures**

- Maintain pride for self and school.
- Strive to keep high standards of conduct.
- Cheer for your own team, not against the other team.
- Refrain from using profanity or implied profanity.
- Not make disrespectful chants, including personal remarks directed at players and officials.
- Not single out players by number or name.
- Display positive signs for your team.
- Be respectful to others. No disrespectful behaviors to other fans, players, coaches or cheerleaders will be allowed.

## **STUDENT COUNCIL**

The LSNHS Student Council is the governmental body for the building. Members include the President, Vice-President, Secretary, Treasurer, Historian, and representatives from each grade.

The purposes of this organization are to establish a working relationship between the student body and the administration; to develop a forum for student voice and channels for student involvement; to provide evidence of good citizenship, scholarship, and leadership; and to provide orderly direction for school activities.

## **Student Council Officers 2022-2023**

**Advisors:** Ms. Amelia Brewster and Ms. Kate Rowan

**OFFICERS:** Andrew Allen, Geoff Bear, Johnasia Carter, Alexis Clark, Mia Forney, Izzy Larsen, Jade Newsome, Leyton Potterfield, Kris Sand, Jordan Wayland.

## **SUBURBAN CONFERENCE MEMBERSHIP**

### **Greater Kansas City Suburban Conference Competition Teams:**

**Gold Division:** Blue Springs High School, Blue Springs South High School, Lee's Summit North High School, Lee's West High School, Liberty High School, Liberty North High School, Ray-Pec High School, Park Hill High School.

## **ATTENDANCE AND CREDIT**

Regular attendance is an important responsibility of the student's life. Poor attendance is the greatest contributing factor to school failure. State law requires attendance accounting. Attendance is recorded on an hourly basis. The school recognizes that there may be lengthy absences due to illness or unusual family circumstances. The administration will be glad to work with individual families to reach an equitable solution to the problem.

### **ATTENDANCE POLICY**

A student shall be allowed no more than nine (9) absences, excused or unexcused, per semester in any one class. When a student reaches 5, 9, and 10 days, the school will send an informational letter to the parents, regardless of prior contact by phone or conference. The letter serves as notification of the number and type of absences by the student in each class.

On the tenth (10) absence, in any one class, the student will not earn credit for that class. Students will have the opportunity to work with their administrator to make up missed time prior to the end of the semester. If a student still has 10 or more absences at the conclusion of the semester the student will be required to complete an attendance waiver appeal. A waiver to maintain full credit must be submitted by the end of the semester. This waiver should include documentation of illness, funeral, or family emergency from a medical doctor, dentist, minister, or other official source. The waiver should be turned into the attendance office.

### **ALTERNATIVE METHODS OF INSTRUCTION (AMI):**

Beginning in the 2020-21 school year, a new state law allows schools to create a state-approved alternative methods of instruction (AMI) plan to fulfill up to 5 days of time lost in the classroom due to events outside of the district's control including inclement weather, a utility outage, or an outbreak of a contagious disease where school would otherwise be cancelled. In the event of a cancellation, the district may choose to hold instruction virtually.

Lee's Summit R-7 Schools remains committed to providing students instructional activities and connections to the learning environment during periods of school closures. We are fortunate to be a 1:1 district in which K-12 students have district-issued Chromebooks and R-7 staff have a platform in Schoology to reach students remotely. While virtual instruction cannot replace time in the classroom, Lee's Summit R-7 Schools believe it is critical that we stay connected to our students and continue to provide learning opportunities to the best of our ability. The district's technology department continues to work with families and staff if needs of connectivity and Internet accessibility are not being met.

If the decision is made to hold school virtually:

- District communication will be sent to families announcing that school will take place virtually along with reminders regarding how to access instructional materials.
- Every teacher will use the Schoology platform to share lessons, assignments and resources with students.
- Teachers will post assignments and learning opportunities each day by 9 a.m. Teachers will hold daily office hours to guide and assist students. Teachers will communicate with students via email, Schoology Conferences, Schoology Messaging and voicemail, which will be updated each day with assignments for students without Internet access.
- Students are expected to access and complete assignments, meet deadlines, engage in the work and communicate with their teachers, peers or parents if they are needing assistance.
- Work must be completed in order for student attendance for the day(s) to be counted.

## **APPEAL PROCESS**

If the student or parent feels that justifiable or extraordinary circumstances have contributed to reaching the nine-day limit, the student and parent may appeal to the Attendance Review Committee. An appeal form must be completed and filed with the Attendance Office by the end of the semester the absences occurred in. The review by the Attendance Review Committee shall be held within a reasonable time following the end of the semester. If no appeal request form is received by the end of the semester, then credit is not earned. The Attendance Review Committee will consist of at least one administrator, counselor, and teacher.

The Attendance Review Committee will consider the reasons for all the student's absences, not only those absences above the nine days allowed. The committee will consider all relevant information including whether:

- The appeal form was returned to the attendance office by the end of the semester in which the absences occurred,
- The student has supplied reasons for each absence with appropriate documentation,
- All semester course work was completed as determined by the teacher,

The possible outcomes from an appeal to the Attendance Review Committee:

- Credit not awarded.
- Credit is awarded.
- Student is assigned make-up time for class time missed, once made up credit will be awarded.
- Student is placed on probation for the next semester, with credit held pending satisfactory attendance during the probationary period.

The outcome from the Attendance Review Committee will be communicated to the parents by phone and by written communication.

## **ABSENCE REPORTING**

When a student is absent, the school requires that them/they parent call the attendance secretary between 7:00 a.m. and 10:00 a.m. at 986-3002 and state the student's name, grade and reason for absence.

- If parent contact is not received, a phone call will be made to the parents in an attempt to clarify the absence.
- If parental contact has not been made by the next school day, the absence will be classified as undetermined.
- It is the responsibility of the student and the parent to provide information in a timely manner to the attendance secretary to have undetermined absences reclassified within three school days.
- Any undetermined absences not reclassified within three school days will be recorded as unexcused.

The following absences are “examples” of absences that **will** count toward the nine-day limit:

Oversleeping	Family vacations
Going “out of town”	Missing the bus
No ride to school	Needed at home
Personal business	Car trouble
Activity camps	Other absences excused by parents
School suspensions (in excess of five days)	
District/state contests or other school related activities in which student is not a participant.	

The following absences **will not** count toward the nine-day limit with proper documentation:

Hospitalization	Death in the family
Mandatory court date	College visits
Religious observance	Documented doctor’s appointment
Medically documented illness	
School Suspensions (first five [5] days ISS or OSS)	
Documented Dental/Orthodontist appointment	
Verified school counseling/office appointment	
School-related activities in which the student is a participant	
History of chronic health problems, provided that proper documentation is filed with the Attendance Office or in Health Room	

## **ACTIVITY ATTENDANCE IF ABSENT**

Students must be in attendance a minimum of the **last four clock hours of the day** to participate in any activity scheduled for that day. Exceptions are granted with administrative approval only.

If students come to school and leave during the day for health reasons, they may not return or participate that day in activities without administrative approval.

In the event that truancy or suspension of a student takes place, the student will not be eligible for participation until the fulfillment of the established disciplinary requirements.

## **ARRIVAL AT SCHOOL**

When entering the building in the morning, students should gather all necessary materials for the first period class.

- Students will go to their first period classroom.
- Only students who wish to study may enter the Media Center before school.
- Standing in groups in the halls blocks the normal traffic flow and creates the problems of running, pushing, and loud unnecessary talking; therefore, students are to move into rooms and not stand in the hallways.

## **CLASS SKIPS**

Absence from all or part of a class without authorization from a parent or administrator is classified as a class skip.

- A parent will be contacted for each incident.
- The first one-hour class skip will result in assignment of two one-hour detentions; the second one-hour class skip will result in one Four-Hour Detention.

## **CLOSED CAMPUS**

Students are not allowed to leave school grounds once they have arrived by any means of transportation without authorization from a school official. Any student who has scheduled authorization to leave school before dismissal must check out at the attendance office. Students in violation of this policy will be assigned an after-school detention and may have their parking permits revoked if they drive off campus.

## **COLLEGE VISITS**

- Juniors and seniors will be allowed **verified** college visits. These visits are excused absences, but are NOT classified as a school activity when calculating outstanding attendance eligibility.
- Forms can be picked up in the Attendance Office and Guidance Office.

## **DOCTOR AND DENTAL APPOINTMENTS**

Doctor and dental appointments are excused. Since dentist's and doctor's appointments are an important part of any health or hygiene program, LSNHS will honor appointments as follows:

- Parental permission and appointment cards must be presented at the attendance office **prior to** leaving school to be classified excused. Failure to make prior arrangements will result in an unexcused absence until verification is received in the office.
- If the student must leave while class is in session, please notify the teacher prior to the beginning of class.
- Arrangements must be made with the attendance office in case of an emergency.
- Before leaving for a doctor or dental appointment, students must sign out in the attendance office.

## **DRIVER'S TEST**

Students will be excused for no longer than three consecutive class periods to take a driver's test.

## **EARLY CHECKOUT AND FINALS**

Students and parents are reminded that students are not to check out early at the end of the semester.

- Students who miss final examinations due to early checkout will lose ten percent of their semester grade.
- In emergency situations a student must request early check out with administrative approval. Parent contact will be made by the administration.
- An early checkout form must then be taken to their teachers to permit early finals at the teacher's discretion.

- Teachers are under no obligation to give early finals.

### **FAILURE TO CHECK IN/OUT OF SCHOOL**

Students must check in to school at the attendance window if arriving after the tardy bell to first hour. Students must also check out of school at the attendance window if leaving before their regularly scheduled exit time. Students not following the check in/out of school procedures may receive disciplinary action.

### **HOMEBOUND STUDENTS' ATTENDANCE ON CAMPUS**

Homebound students are not permitted on campus without prior administrative approval. All homebound students, immediately upon entering the building, must check in at the office and receive a "visitor" badge.

### **ILLNESS DURING THE SCHOOL DAY**

- If a student becomes ill after arriving at school, he/she must report to the health room with a pass from the current hour's teacher.
- If the student is too ill to remain in school, the health room personnel will contact a parent/guardian.
- Communicable Disease Guidelines (see Health Services) will be followed.
- If the student does not check out through the health room and/or attendance office, he/she will be classified as unexcused. Any classroom work missed must be made up.

### **JOBS**

- Students who work after school have the responsibility to take care of their school obligations, including after school detention, before being excused from school each day.
- Students seeking jobs or participating in job training must do so on their own time.
- Students will not be excused from school to look for jobs. Interviews scheduled at a specific time can be met by having a parent make arrangements in advance with the administration.

### **LATE ARRIVAL TO SCHOOL**

Any student arriving beyond 5 minutes past the beginning of school will be assigned as follows per semester. For additional Late Arrivals, consequences will be assigned as follows per semester:

Five minutes past start of school through midpoint of first hour class:

1. Warning
2. 2-hour/Parent Contact
3. 2-hour/Parent Contact
4. 4-hour/Parent Contact

## **TARDY POLICY**

Students are expected to be in the classroom and ready to begin work when the tardy bell sounds. Students are considered tardy if arriving at their assigned location (including class and lunch) after the bell has sounded.

- Students who arrive after 7:30 a.m. must report to the attendance.
- Students who are five or more minutes late to hours two through seven will be sent to the office with a discipline referral card for a conference with an administrator.
- If students are detained by the office or by a teacher, they must obtain a pass from the person who detained them. All tardies will be considered unexcused unless the teacher provides written verification.
- Students having unexcused tardies will be assigned detentions. Failure to attend detention for excessive tardies may result in Four-Hour Detention, In-School-Suspension or Out-of-School Suspension.

## **Tardy Policy**

### **Discipline for the tardy office referrals are:**

- 6<sup>th</sup> one One-Hour Detention
- 7<sup>th</sup> one One-Hour Detention

## **TRIPS AND EDUCATIONAL TRAVEL**

- If any student must miss school for a trip, the following requirements must be met:
- A parent must make arrangements with the administration of the school for the absence at least two days in advance. (This time is needed to notify teachers and make necessary arrangements relating to schoolwork.)
- The student will receive one day for each approved day missed to turn in all the make-up work. Students are asked to arrange make-up work prior to the trip. All required projects are due before leaving if the project falls due during the absence.
- Refer to attendance procedures for effects on credits due to absence from school.
- **Parents are encouraged not to schedule vacations immediately following the end of the school year due to possible calendar adjustments as a result of inclement weather.**

## **TRUANCY**

Truancy is defined as being absent from school for two consecutive daily classes or one or more block classes without authorization from the parent and/or school administration. A parent will be contacted for each incident of truancy from school.

- For the first truancy, the student will be assigned a Four-Hour Detention,

We are accountable for all that we say and write. We are responsible for the academic integrity of our work. We pledge that we will not misrepresent our work by using the work of others and presenting it as our own. We also pledge that we will not give or receive unauthorized aid. We commit ourselves to behave in a manner that demonstrates concern for the personal dignity and rights of all members of the community. We are respectful of classroom property and the property of others. We will not tolerate a lack of respect for these values. We define the following as direct acts against the **LSN HONOR CODE**:

- Forgery/Falsifying documents—Counterfeiting documents for personal unwarranted advantage in terms of grades, standardized testing, academic standing, recognition, post-secondary placement, eligibility, and privileges.

A violation of the **LSN HONOR CODE** may result in disciplinary action. Cheating and plagiarism will not be tolerated and will be held to the same standards. Violations could include, but are not limited to and these consequences will accumulate during the student’s high school career:

- The first offense will result in a zero on the assignment, teacher-parent contact, and administrator-student conference.
- A second cheating offense will result in a zero on the work and a three-day In-school Suspension.
- A subsequent incident of cheating will result in a five to ten-day suspension and loss of credit in that course for the semester.

A student’s responsible use of computer hardware and software materials and the academic integrity of school-work completed using these resources will be held to the same standard as that for conventional assignments.

Students taking IB courses should also reference the IB Academic Honesty policy.

## **ASSEMBLY GUIDELINES**

- Report to the assigned area.
- Take an assigned seat immediately and remain seated until dismissed by the person in charge of the program (the bell is not a dismissal signal).
- All students and staff members are expected to attend all school assemblies unless excused by the administration.
- Students not sitting in their assigned area will receive an after-school detention.
- Food or drinks are not permitted in the Performing Arts Center (PAC) or the Fieldhouse.

## **COMMONS/CAFETERIA PROCEDURES**

- Students are not allowed to leave the campus during their lunch periods.
- Students are not allowed to leave the Commons without permission of a supervisor.

- When dismissed in the Commons, students should push their chairs under the tables, leave the tables clean for the next shift, and proceed to their next assigned class. **All trash must be disposed properly.**
- Take-out food should be delivered to students through the main building entrance located on the North side of the building. If brought in and to minimize disruption, food will be held in the student administration office for student pickup.
- All students will be expected to act like young adults during their lunch period. Good manners should prevail at all times. Creating disturbances in the Commons or not leaving the table clean will result in a clean-up duty assignment or office referral.

## **DISRESPECT/REFUSAL/INSUBORDINATION TO STAFF**

In order to maintain the safety of the school environment, inappropriate language, gestures, or aggressive verbal or physical behavior toward any staff member will result in disciplinary action.

Other examples of disrespect include but are not limited to: defiance of authority, lying to staff, and refusal.

Refusal to comply with a staff request can result in the maximum disciplinary consequence being assigned. Such insubordination may result in up to a ten-day suspension with a referral to the Superintendent for possible long-term suspension.

## **DISTRIBUTION OF MATERIALS**

Students may distribute, at reasonable times and places, unofficial material, including but not limited to petitions, buttons, badges, or other insignia. If the district allows students to use its technology resources for non-curricular purposes, any exchange of unofficial material that is delivered or accessed using district technology resources is also subject to this policy.

- Present a clear and present likelihood that, either because of their content or their manner of distribution, will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, will cause the commission of unlawful acts or the violation of lawful school procedures.

Anyone wishing to distribute unofficial material must first submit for approval a copy of the material to the principal or designee 24 hours in advance of desired distribution time, together with the following information:

- Name and phone number of the person submitting request.
- Date(s) and time(s) of day of intended distribution.
- Location where material will be distributed.
- The grade(s) of students to whom the distribution is intended.

Within 24 hours of submission, the principal (or designee) will render a decision. In the event that permission to distribute the material is denied, the person submitting the request should be informed in writing of the reasons for the denial.

Permission to distribute material does not imply approval of its contents by the school, the administration, the Board, or the individual reviewing the material submitted.

## **DRESS CODE/APPAREL EXPECTATIONS**

### **Dress code /apparel expectations**

Lee's Summit North High School expects that all students will dress in a way that is appropriate for the school day or for any school sponsored event. Student dress choices should respect the District's intent to sustain a community that is inclusive of a diverse range of identities. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. Any restrictions to the way a student dresses must be necessary to support the overall educational goals of the school and must be explained within this dress code.

**Basic Principle: Appropriate body parts must be covered for all students at all times.**

**Students Must Wear\*, while following the basic principle of Section 1 above:**

- A Shirt (with fabric in the front, back, and on the sides under the arms), AND
- Pants/jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress or shorts), AND
- Shoes.

\*Courses that include attire as part of the curriculum (for example, professionalism, public speaking, and job readiness) may include assignment-specific dress, but should not focus on covering bodies in a particular way or promoting culturally-specific attire. Activity-specific shoes requirements are permitted (for example, athletic shoes for PE).

**Students May Wear, as long as these items do not violate Section 1 above:**

- Hats must allow the face to be visible to staff, and not interfere with the line of sight of any student or staff.
- Religious headwear
- Hooded items of clothing sweatshirts (wearing the hood overhead is allowed, but the face and ears must be visible to school staff).
- Fitted pants, including opaque leggings, yoga pants and “skinny jeans”
- Ripped jeans, as long as underwear and buttocks are not exposed.
- Tank tops, including spaghetti straps; halter tops
- Athletic attire
- Visible waistbands on undergarments or visible straps on undergarments worn under other clothing (as long as this is done in a way that does not violate Section 1 above).

**Students Cannot Wear:**

- Violent language or images.
- Images or language depicting/suggesting drugs, alcohol, vaping or paraphernalia (or any illegal item or activity).
- Bullet proof vest, body armor, tactical gear, or facsimile.
- Hate speech, profanity, pornography.
- Images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups.
- Any clothing that reveals visible undergarments (visible waistbands and visible straps are allowed).
- Swimsuits (except as required in class or athletic practice).
- Accessories that could be considered dangerous or could be used as a weapon.

- Each teacher will appoint and train student leaders in each class.
- Each classroom will have a diagram of the evacuation route for fire and tornado emergencies. Students should follow the directions given by the staff and administration, moving quickly and quietly to the assigned areas.
- Every student and staff member must recognize the safety factor and seriousness of these drills and situations. Failure to act at the proper moment could mean the difference between life and death. Cooperation and mature action is needed at all times.

### **Consequences for Unauthorized Fire Alarm Activation**

Students who fight will be suspended for up to ten school days and a possible referral to the superintendent for long-term suspension and will not be allowed to return until a student-parent-administrator conference is held. Fighting or peace disturbance may result in arrest or a peace citation for assault and/or peace disturbance.

- Water guns or water dispensing devices are prohibited.

## **SCHOOL SERVICES**

### **ACCIDENT INSURANCE AVAILABILITY**

The R-7 School District does not have accident insurance on students in the school district. The cost of providing this insurance would be prohibitive.

With this in mind, as a supplement to the family’s own health insurance, the Board of Education is making available a nominally priced student accident insurance plan. This plan has been offered in the R-7 School District for a number of years and is a contract between the family and the insurance company.

### **CAMPUS ACCESS (AFTER SCHOOL)**

The school does not provide general supervision of students after 2:40 p.m. As a result, students who do not ride the bus home must make arrangements to leave campus by 2:40 p.m. Students on campus after 2:40 p.m. must be under the direct supervision of a staff member. Disciplinary consequences may result for students found on campus unsupervised after 2:40 p.m.

## **GUIDANCE AND COUNSELING SERVICES**

Guidance and counseling is an integral part of Lee's Summit North High School's total educational program. The Missouri Comprehensive Guidance Plan is followed as a model for implementing this program.

The components of this Plan include:

- Guidance Curriculum (*curriculum geared toward career planning exploration, knowledge of self and others, and educational vocational development*)
- Individual Planning (*activities that help students plan, monitor, and manage their own learning, personal, and career development*)
- Responsive Services (*activities to meet immediate student needs with counseling, consultation, referral, or information*)
- Support Services (*management activities that establish, maintain, and enhance the total guidance program*).

The student-counselor relationship at LSNHS is one in which a student has freedom to express ideas and feelings in order to gain a more meaningful understanding of self and environment. LSNHS counselors are available to assist students and parents in seeking information and examining alternate possibilities in a variety of situations.

In an effort to provide ready communication with students and parents, the guidance department publishes the weekly *Bronco Connection*, a guidance bulletin. Included in this publication are significant test dates, career exploration opportunities, college representative visits, scholarship opportunities, and other relevant information. This information can also be found on our website at <http://lsnhs.leesummit.k12.mo.us/guidancelsn/default.htm>.

LSNHS guidance offices are open by appointment during June and August. During the school year counselors are available from 7:10 a.m. to 3:00 p.m.

Student appointments may be made before school, between classes, and after school. In some instances, students may be scheduled during the regular class time. Appointments are highly recommended. Students or parents may call the guidance office if they have any questions or to schedule an appointment at 986-3003.

The school maintains a safe and healthy environment. A health clerk, trained in CPR and first aid, works under the supervision of the LSR7 registered professional nurses. First aid care will be administered to sick and injured students. In the case of serious illness or accidents, parents will be notified immediately.

- Students who become ill at school should report to the health room with a pass from the current hour's teacher. Any student leaving school early because of illness should check out through the health room.
- Student use of personal cell phones to contact parents during the school day regarding personal illness is discouraged.
- Students will not be allowed to go to vehicles to get medication or go home for medication without permission from an administrator.
- Student's prescription medication(s) that are needed during the school day should not be kept in vehicles. (\*See prescription medication section.)

\*[Any medical documentation, including activity restrictions and releases, **MUST** be filed with the health room. Any activity restrictions should include the physician's contact information and an end date.]

## Communicable Disease Guidelines

It is very important that we prevent the spread of communicable disease. According to Missouri Statute 167.191 RSMO, the following guidelines should be followed:

- Students must be fever free without the use of fever reducing medicine for 24 hours before returning to school.
- Students must be free of continuous coughing.
- Students must remain at home until 24 hours after the last episode of vomiting or diarrhea.
- Students must remain at home for 24 hours after taking the first dose of antibiotic for an infection.
- Parents are encouraged to report communicable illness when calling students in ill to the health room staff.
- Students may be excluded from school if one or more of the following exists: Diarrhea, fever of 100.4 degrees or greater, nursing recommendation based upon physical condition, or unvaccinated students in times of disease outbreaks. *Missouri Statute 167.191*

## Required Immunization of Students

(Reference Board Policy JHCB)

- All immunizations must be up-to-date before any student will be permitted to enroll, pick up a schedule, or attend school.
- It shall be the duty of the parents or guardians of every student entering the school district to furnish the school satisfactory evidence of immunization or exemption from immunization against disease as mandated by Missouri law (Section 167.181.1).
- Satisfactory evidence of immunization shall be a statement, certificate of record from a physician or other recognized health facility, or appropriate personnel stating that the required immunizations have been given to the student and verifying the type of vaccine and the day, month, and year of administration. Sports physicals are not acceptable documentation as a current immunization record.
- Medical Exemption - A student shall be exempted from the immunization requirements upon signed certification by a licensed doctor of medicine (MD), doctor of osteopathy (DO), or them or they designee indicating that either the immunization would seriously endanger the student's health or life or the student has documentation of disease or laboratory evidence of immunity to the disease. The Department of

Health and Senior Services form Imm.P.12 shall be placed on file with the school immunization health record for each student with a medical exemption. This need not be renewed annually. The original Medical Exemption Card from DHSS, IMM.P.12 must be on file in the health room.

- Religious Exemption - A student shall be exempted from the immunization requirements if a parent or guardian objects in writing to the school administrator that immunization of that student violates their religious beliefs. Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The original appropriate exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable diseases occur. This need not be renewed annually; however, if a new immunization becomes required, the original card must be updated.
- Immunizations in Progress - Students may continue to attend school as long as they have started an immunization series and provide satisfactory evidence indicating progress is being accomplished within the state-mandated requirements and timelines. An original Department of Health and Senior Services form Imm.P.14 must be completed and placed on file with the school immunization health record of each student with immunizations in progress. Failure to meet the next scheduled appointment constitutes noncompliance with the school immunization law and exclusion shall be initiated immediately.

## **Student Allergy Prevention and Response**

Each school will attempt to identify students with allergies, including food allergies. At enrollment, the person enrolling the student will be asked to provide information on any allergies the student may have. For prevention, prepackaged items used in concessions, fundraisers, and classroom activities must include a list of ingredients and nutritional information on the package. If the package does not contain a list of ingredients, the list of ingredients must be available at the location where the package is sold or provided.

## **Latex Balloons**

All Lee's Summit R-7 Schools are a latex-reduced environment. Latex balloons are not allowed in the school buildings.

## **Administration of Medications to Students (Reference Board Policy JHCD)**

The Lee's Summit R-7 School District is not legally obligated to administer medication to students unless specifically included in a Section 504 Accommodation Plan or an Individualized Education Program (IEP). However the Board recognizes that some students may require medication for chronic or short-term illness to enable them to remain in school and participate in the district's educational services. Further, the district prohibits students from possessing or self-administering medications while on district grounds, on district transportation or during district activities unless explicitly authorized in accordance with this policy. Therefore, the superintendent, in collaboration with the district nursing staff, will establish administrative procedures for storing and administering medications in compliance with this policy and pursuant to state and federal law. Medications will only be administered at school when it is not possible or not effective for the student to receive the medication at home.

The administration of medications is a nursing activity that must be performed by or under the supervision of a registered professional nurse. A registered professional nurse may delegate the administration of medication to licensed practical nurse or unlicensed personnel who are trained by the nurse to administer medications. The registered professional nurse is responsible for developing written procedures for training unlicensed

personnel in the administration of medications and for supervising the administration of medication administered to students.

Nurses must use reasonable and prudent judgment to determine whether to administer particular medications to students while also working in collaboration with parents/guardians and school administration. In carrying out their legal duty to protect the health, welfare, and safety of students, nurses will, when necessary, clarify authorized prescriber orders and respond in accordance with such clarifications.

Medication not within recommended dosage on the package insert of manufacturer's direction shall not be given without consultation/verification by the school nurse with the prescriber, upon which a decision shall be made on the administration of medication. The district should not administer the first dose of any medication. Parents/Guardians are encouraged to arrange to administer prescription medications themselves when possible.

### **Over-the-Counter Medications**

High school students may carry and self-administer legal non-prescription medications that have been listed on the STUDENT MEDICAL INFORMATION FORM and signed by the student and parent/guardian. **Over-the-counter medications must be in the original container, taken per label directions, and are not to be shared with other students.**

### **Prescription Medications**

The parent/guardian must provide the district with written permission to administer the medication before the district will administer the prescription medication to the student. The prescription label will be considered the equivalent of a prescriber's written direction, and a separate document is not needed. Parents need to bring the medication to the health room according to board policy.

### **Self-Administered Medications**

An authorized prescriber or a student's IEP or 504 team including district nursing staff may recommend that an individual student with a chronic health condition assume responsibility for them or they own medication as part of learning self-care. The district will allow students to self-administer medication for the treatment of asthma and anaphylaxis in accordance with this policy and law. The district may allow students to self-administer other medications in accordance with law. The district will not allow any student to self-administer medications unless:

- The medication was prescribed or ordered by the student's physician.
- The physician has provided a written treatment plan for the condition for which the medication was prescribed or authorized that includes a certification that the student is capable of and has been instructed in the correct and responsible use of the medication and has demonstrated to the physician or the physician's designee the skill level necessary to use the medication.
- The student has demonstrated proper self-administration technique to the school nurse.
- The student's parents have signed a statement authorizing self-administration and acknowledging that the district and its employees or agents will incur no liability as a result of any injury arising from the self-administration of such medication unless such injury is a result of negligence on the part of the district or its employees or agents.

### **Emergency Medication**

All student-occupied buildings in this district are equipped with epinephrine premeasured auto-injection devices that can be administered in the event of severe allergic reactions causing anaphylaxis and Narcan that can be administered in the event of a suspected opioid overdose. These medications will only be administered in accordance with written protocols provided by an authorized prescriber. The school principal or designee will maintain a list of students who cannot, according to their parents/guardians, receive epinephrine. A current copy of the list will be kept with the devices at all times. The school principal or designee will

maintain a list of students who cannot, according to their parents/guardians, receive epinephrine. A current copy of the list will be kept with the devices at all times.

### **Consequences**

Students who possess or consume medications in violation of this policy while on district grounds, on district transportation or during a district activity may be disciplined up to and including suspension or expulsion. Employees who violate this policy may be disciplined up to and including termination. District administrators will notify law enforcement when they believe a crime had occurred.

## **LIBRARY MEDIA CENTER**

### **(Hours Posted in LMC)**

- The library media center is an integral part of the evolving school curriculum--a curriculum designed to stimulate, encourage, and develop the learning of each student. Since each student's learning style is unique, a large collection of print, audio visual, and electronic materials is available in the media center to improve reading, listening, and viewing skills. The materials and services encompass all subject areas, ability levels, and the varied recreational interests of faculty and students.
- Books and magazines form the nucleus for research and recreational reading. Digital media is rapidly providing a new and varied approach to information sources. Electronic information sources including electronic periodical databases, the Internet, and multimedia applications are available to media center patrons. Videos that support the curriculum are available through electronic databases as well as DVD and VHS formats.

### **Media Center Access/Checking Out Material(s)**

- Students need a pass to come to the media center during the day. They must have their school ID to check out materials.
- Students are responsible for signing in and out of the media center.
- Failure to sign the log may result in disciplinary action.

### **Media Center Equipment**

- Any student may use audio-visual equipment in the media center for make-up or research purposes. Machines requiring a specialized knowledge, such as the video editing equipment, will require the student to be instructed in its use by the media center staff before the student may use it.
- Copy machines and printers are available as a way to take home printed copies of information difficult to circulate. The media center contains Windows computers with personal productivity and computer-assisted instruction software. Students have access to the computers before and after school, as well as during the school day.

## **LOCKERS**

- Each student is assigned a hall locker with a built-in combination lock.
- Students must always keep this locker locked.
- Students are not to reveal the combination to any other student. Items of extraordinary value should not be left in lockers or brought to school.

- Students must use only their assigned locker. School lockers and storage lockers are the property of the school district and are provided for the convenience of students, and as such, are subject to periodic inspection without notice.
- Personal locks may not be maintained on lockers.
- Students should report to the office immediately any locker that is not working properly.
- Each physical education student will be issued a combination lock for a physical education locker. The lock must be locked at all times and is to be returned at the end of each semester. **All items of value MUST be locked in the PE locker to be secure.**
- Consistent with the community's expectations that school officials sustain a safe school environment, the Lee's Summit schools will cooperate with local law enforcement agencies in conducting periodic unannounced locker inspections, including canine searches.

## **LOST AND FOUND**

Students who find lost articles are asked to take them to the office where the owner can claim them. Students who have lost items must fill out a form describing the item so that the office can have a record in case the item is turned in.

## **NUTRITION SERVICES**

A well-balanced and nutritional breakfast and lunch program is offered at reasonable prices. Supplementary snacks are also available. Students may purchase food, bring their own food, or use a combination of both plans. Students will be assigned an ID number to facilitate their purchases. Students are not to share this number with anyone. Breakfast is served from 7:00 AM-7:30 AM, and lunch periods run during the fifth period.

## **FREE AND REDUCED-PRICE FOOD SERVICES**

School officials will determine student eligibility for free and reduced-price meals, snacks and mil in accordance with state and federal law. Eligible students will be provided meals, snacks and milk either free or at a reduced price if state and federal resources for school food programs are available. The superintendent or designee may establish rules and procedures as needed to accomplish this goal.

The criteria for determining a student's need and the procedures for securing free and reduced-price meals, snacks and milk for the students will be outlined and publicized each year by the district in accordance with law. The criteria and procedures are established at the state and federal level. Applications are made available in the main office.

## **RETURNED CHECK FEE**

The Lee's Summit R-VII School District will charge a \$25 fee on all checks returned to the District as uncollected.

## **SPECIAL EDUCATION SERVICES**

The district delivers special education services to students with a variety of disabilities whose needs can range from mild to severe. Services can be delivered in special education classes with specialized instruction, modified curriculum, and small student-teacher ratios. Services are also delivered in the regular classroom through a variety of methods such as CWC classes, paraprofessional support, monitoring, and/or consultation. Students'

educational programs are determined by an Individual Education Plan (I.E.P.) and reviewed on an annual basis. Evaluation is provided by the staff to determine if students are eligible for services. Parents/Guardians and students are encouraged to speak with their counselor, administrator, school psychologist, or Instructional Evaluation Specialist for further information.

## **MEDICAID**

### **Annual Notification to Parents**

Our School Agency receives funding from the Medicaid Direct Service Claiming (DSC) program for IEP covered services to eligible children through the State's Medicaid agency. This is a state-approved program that allows our School Agency to receive reimbursement from federal funds for providing some health-related covered services to eligible children in our school system. Examples of covered services include speech therapy, assistance with daily living skills, physical therapy, and nursing services. We are required to notify you of our participation and the IDEA regulations stated below.

The School Agency, working with the State Medicaid agency, will need to determine if your child is eligible or should become eligible in the school-based Medicaid program. Your written consent indicates that you understand and agree that the District will submit your child's information to the State Medicaid agency and their authorized agencies to verify eligibility and submit claims for the DSC program. The school may use Medicaid benefits in which a child participates to provide or pay for services documented in the Individualized Education Program (IEP). Parents are not required to sign up for or enroll in Medicaid to receive IEP services or a free appropriate public education, nor are they responsible for any out of pocket expenses for these IEP services. Also, the School Agency's access to these benefits is not allowed if it would have a negative impact on your public insurance.

We will provide the required services to your child at no cost to you whether or not you grant your written consent. Your consent is voluntary and may be revoked at any time. The School Agency's use of this reimbursement program does not in any way affect or impact other Medicaid benefits to which the child is entitled, including any otherwise eligible services out of the school.

## **TRANSPORTATION SERVICES**

## **STUDENT TRANSPORTATION SERVICES**

The safety of all students riding the bus to and from school is a responsibility we all share. It takes all of us working together to ensure safety: students, parents, bus drivers and school officials. The District has established the student conduct expectations listed below to ensure that all students are transported in the safest environment possible.

Students who fail to observe these expectations will be subject to disciplinary action. Their failure to do so may affect the safety of others. Failure to follow bus expectations and regulations may result in suspension of bus riding privileges as well as school consequences depending on the seriousness of the violation.

If you should have any issues or concerns and need to talk with your child's driver, it is best to call the Transportation Office at (816) 986-2400 to schedule a time. If you need to approach the bus please do not step into the bus but instead signal to the driver you would like to talk and proceed to the driver's side window. For the safety of all bus riders, our drivers are instructed to close the entrance door when approached and direct you to their side window. Keep in mind the bus has other stops and a schedule which limits the driver's available time at individual stops. Under Missouri Law, unauthorized entrance on a school bus is trespassing. For the safety of the students we transport, the Lee's Summit School District supports this law and has posted warnings on all buses.

**For more information please log on to:**

***<http://www.lsr7.org/schools/bustransportation/>***

### **Safe Riding Expectations and Tips for a Safe School Bus Ride**

1. Follow the bus driver's directions.
2. Be at the bus stop 5 minutes before and stay at least 5 minutes after your stop time.
3. Line up in a single line at the side of the road.
4. Sit on your seat, not on your knees or backpack.
5. Speak quietly to each other.
6. Keep hands, feet and other items to yourself on the bus.
7. No food/drinks/gum/candy on the bus.
8. Ensure your student knows the danger zone.
9. The safest stop is the stop with an adult present.

### **Mobile Electronic Devices**

IPads, cell phones and other similar electronic devices are permitted to be used on the school bus as long as the user follows these expectations:

- Must be in a backpack or other holder while boarding and departing the bus so hands are free to use handrails.
- Sound must be muted or the user must use headphones, ear buds or something similar.
- No material in violation of District policy and procedures.
- Do not share content with other students outside the seat compartment they are in.
- Must not create a distraction for the driver.

The above only applies to the school bus, each building has their own expectations for usage of mobile electronics. Please contact your school for their specific practice.

No handbook can contain policies for every possible eventuality. Any action that would create an environment contrary to the district's, schools' and transportation department's missions will not be acceptable. If the action creates an environment in which learning, safety, and caring for others is not the primary focus, disciplinary action will result. Students are expected to use "common sense" in making decisions about their behavior choices.

## **PARKING LOT SAFETY**

- Students are not permitted to go to parked cars or be in the parking lots without permission from an administrator.
- Students may not go to parked cars or the parking lots before entering buses to leave campus, or before attending after-school or Four-Hour Detentions.
- Consistent with the community's expectation that school officials sustain a safe school environment, the Lee's Summit schools will cooperate with appropriate law enforcement agencies. The parking lot and all cars parked on campus will be subject to search. **The parking lot WILL BE searched periodically. This may include use of canines for the search.**
- Strict adherence to policies on bus transportation and driving is required.
- Speeding or careless and reckless driving in the parking lot can result in police action along with school discipline. Police can issue tickets for careless and imprudent driving, endangerment of a minor, or other violations. School discipline includes, but is not limited to, detention, suspension, and/or loss of driving privileges.

Students will turn in Chromebooks and the power supply when they transfer to another building in the district, or transfer out of the district. Students who withdraw from the Lee's Summit R-7 School District must turn in their Chromebook and its accompanying materials on their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full replacement cost. Students who refuse to voluntarily turn in their Chromebook or fail to pay the

By TAKING possession of a Chromebook, the borrower agrees to assume full responsibility for the safety, security, and care of the borrowed property. In a case of complete loss, the borrower agrees to pay replacement cost. In a case of complete loss or theft occurring at school, the borrower must report the incident to a school administrator and technology department personnel of the appropriate building immediately. A device is deactivated by the district in these cases. In the case of theft occurring away from school, the borrower must report the incident to law enforcement officials of jurisdiction within 24 hours of the occurrence and then provide documentation of the law enforcement report to the appropriate staff member as soon as it is available. Failing to report theft in the manner described herein will result in the missing property being categorized as lost rather than stolen. In the case of damage to a borrowed device, the user must report the incident to the technology department personnel or the appropriate building staff member within one school day of the occurrence. If negligence is determined in the device damage, the borrower may be assessed repair costs. District administrators have the authority to sign any criminal complaint regarding damage to District technology.

### **TERMS OF AGREEMENT:**

A user's right to use and possess the borrowed property terminates no later than the last day of the school year unless earlier terminated by the district for noncompliance, terminated upon withdrawal from active enrollment in the district, or terminated due to a change in schedule/attendance arrangement.

#### **Student Usage**

- Student Chromebooks and associated materials are provided by the Lee's Summit R-7 School District to students. If used in compliance with all expectations detailed in this handbook and the District's Technology Usage Policy EHB & EHB-AP1 and then returned without damage as described in the "Repair Costs" section below, no additional fees or financial obligations are issued at the time of return of the borrowed property.

### **MOBILE DEVICE FEE:**

*FOR THE 2022-23 SCHOOL YEAR, STUDENTS WILL NOT BE CHARGED A MOBILE DEVICE FEE.*

All students are required to participate in the mobile device fee program. Students are responsible for protecting the Chromebook from loss or damage, but if an accident or loss does occur, the costs associated with such incidents are outlined in the process below. Students who qualify for free or reduced priced lunches or are otherwise financially stressed are eligible for a reduction of the mobile device fee. Parents/Guardians must complete the Mobile Device Fee Reduction request form in order to be considered for this opportunity. If the device is damaged or destroyed, the student/parent/guardian is still responsible for the costs associated as outlined. For

families qualifying for the fee reduction, the district will work with the family to determine a payment plan for this amount.

### **ANNUAL MOBILE DEVICE FEES:**

### **Chromebooks Not Returned**

Students who transfer out of the Lee's Summit R7 School District without returning the Chromebook and the charger will be charged the full cost of the device and the district will consider all legal rights at its disposal, which may include turning this device over to law enforcement and reporting it as a stolen device. In that case, the district will sign a criminal complaint regarding loss of property as stated in Board Policy EHB, Technology Usage.

### **Loaner Chromebooks**

Students who borrow a loaner Chromebook while theirs is being repaired must return the loaner prior to receiving their repaired device, as a student is not allowed to have more than one

### **SPECIAL ACCOMMODATIONS/RESTRICTED ACCESS:**

- Parent/Guardian-Initiated Accommodations: It is the belief of Lee's Summit R-7 School District that every student should be granted equal access to the resources provided by the school district for learning. It is not the District's recommendation that a student be restricted access to any learning resource granted to all other students. If circumstances outside of school call for a student to have limited or restricted access to the District's provided resources, a written request by the student's parent/guardian, in collaboration with a school administrator, must be placed on file with the particular school from which the parent/guardian is requesting the special accommodation. If the request is initiated by parent/guardian, approved by a school administrator, and placed on file with the school's technology department, a student

may be granted “as needed only” or “by teacher request only” access to their Chromebook, rather than having it issued permanently into the student’s possession.

- Administrator-Initiated Restrictions: Noncompliance with the expectations of the Connect2Learn Student/Parent Handbook or violation of the District Technology Usage Policy EHB & EHB-AP1 can result in the loss of privilege to use, or restricted access to, district-provided technology as a consequence for misuse or a safety measure with a particular student. If this is the case, a school administrator will collaborate with the student and parent/guardian to make arrangements that may deny or restrict access to the resource in question. The use of technology is a privilege that will continue to be afforded to students who abide by the District’s Acceptable Use policy. Other disciplinary actions defined in Board Policy may be applicable.
- Students with Disabilities: Lee’s Summit R-7 School District is committed that all students will have the tools needed to access the curriculum. The devices that students with disabilities use will be determined individually by their individualized education program (IEP) or other appropriate plan. For some students this may be a Chromebook, and for others it may be a specialized device that allows for access and meets the unique needs of the student. Devices will not be removed and replaced without consideration given to each individual situation. In the case where a Chromebook is not the appropriate electronic device, another type of device will be considered to assist the student in accessing the curriculum.

### **HANDLING, CARE & USE:**

- Students are responsible for the Chromebook, as well as all media, Internet usage, downloads, file creation, file deletion, file sharing, file storage, and other actions that involve all applications accessed via the Chromebook.
- Students are always responsible for their own device.
- Chromebook are intended to be used only for creation of, access to, and consumption of school-related and school-appropriate content. Do not access, store, create, consume, or share unauthorized or inappropriate content with the Chromebook.
- Students are prohibited from taking photos or videos at school or while on district transportation without prior approval from a teacher or administrator.
- Students should start each day with a fully charged battery.
- Ensure nothing is ever connected to, or inserted into, any of the ports and/or connectors of the Chromebook that are not intended for that particular port or connector.
- Ensure the Chromebook is never exposed to liquids or other foreign substances.
- Heavy objects should never be placed or stacked on top of the Chromebook. This includes books, musical instruments, sports equipment, etc.
- Do not decorate the assigned device or remove labels, stickers, or tags from the device that are affixed by school district personnel.
- Allow only school district personnel troubleshoot, diagnose, or repair the Chromebook. Do not allow third party service people to handle or repair the Chromebook. This will void the warranty and students will be responsible for all damage associated with the device.
- Offensive materials using district equipment. Evading or disabling, or attempting to evade or disable, a content filter installed by the district is prohibited. See board policy EHB and EHB-AP2 for more details.

### **SECURITY, STORAGE, & TREATMENT:**

- Keep the Chromebook powered off and protected when not in use.
- Do not carry, hold, lift, or suspend the Chromebook in the air by the screen/display.

- Make sure to completely power off the Chromebook before inserting it into a protective school bag to transport home.
- Handle the Chromebook with caution. Do not throw, slide, drop, toss, etc. the Chromebook.
- Take the Chromebook home every day for nightly storage and charging of the battery. Do not leave it in a school locker or classroom overnight.
- Keep the Chromebook at home out of reach of younger or older siblings, family pets, or anyone else capable of careless handling or inadvertent damage of the property.
- Secure the Chromebook out of view from anyone outside of a vehicle if being temporarily stored in a parked vehicle.
- Communicate with teachers, coaches, sponsors, supervisors, etc. about ensuring that the Chromebook will receive secure storage if you have it at school related activities, performances, sporting events, etc.

### **HOME NETWORK/WIRELESS USAGE:**

- LSR-7 Chromebooks will connect to home wireless networks if the wireless network is open or only requires a network key, or passcode, to connect.
- Do not attempt to reconfigure any device settings or operating system defaults, even if your home network calls for it.
- Many public destinations now offer free public Wi-Fi to its patrons that can provide the device Internet access away from school. For a current map of free public Wi-Fi in the city of Lee's Summit, please visit [connect2learn.lsr7.org](http://connect2learn.lsr7.org).
- LSR-7 devices cannot be used with Wi-Fi networks that require installation of networking software, reconfiguration of security settings, or manually assigning an IP address.

### **CONTENT FILTERING:**

- The district will monitor the online activities of minors and operate a technology protection measure ("content filter") on the network and all district technology with Internet access, as required by law. In accordance with law, the content filter will be used to protect against access to visual depictions that are obscene or harmful to minors or are child pornography. Content filters are not foolproof, and the district cannot guarantee that users will never be able to access offensive materials using district equipment. Evading or disabling, or attempting to evade or disable, a content filter installed by the district is prohibited. See board policy EHB and EHB-AP for more details.
- The district's content filter will also filter content on student Chromebooks when they off the district's network and connected to the internet.
- Because of the nature of the Internet, no content filter is foolproof. Although the content filter will provide a degree of protection to the user and the device, the user assumes responsibility for accessing content that is not school-related, whether blocked by the filter at that particular time or not. Disciplinary consequences in accordance with Board policy may occur for attempting to access unauthorized or inappropriate Internet sites.
- Attempts to disable, reconfigure, or circumvent the content filter is a violation of the Acceptable Use Policy and aforementioned device usage practices as defined above and can result in disciplinary action.
- If a student encounters content which is questionable, a report should be directly made to a R7 teacher for immediate investigation.
- Guardians have the ability to monitor the internet activity when the device is at home using the Securely Home App.

### **PRINTING:**

- The use of Google Workspace for Education encourages an environment of sharing information electronically instead of printing on paper.
- The district recognizes there will be times when a student may need to print. Students can access Google Documents from any district desktop or laptop computer and have the ability to print. Specific printing instructions and locations vary by building. Students will need to ask teachers for specific building printing information.
- LSR7 will be unable to troubleshoot any difficulties that may be encountered when interacting with home printers if a student chooses to print something at home.

## **DIGITAL CITIZENSHIP REMINDER FOR STUDENTS DURING THE SCHOOL DAY:**

- All student social media accounts (e.g. Facebook, Twitter, etc.) will be PERSONAL accounts. School related pages should be created by school personnel such as an activity sponsor, coach, teacher or administrator.
- Be aware of what you post online. What you contribute leaves a digital footprint for all to see. Do not post anything you wouldn't want others (familiar and unfamiliar) to see and share.
- It is acceptable to disagree with someone else's opinions, however, do it in a respectful way. Make sure that criticism is constructive, not hurtful. What is inappropriate in the classroom is inappropriate online.
- Be safe online. Never give out personal information, including but not limited to last names, phone numbers, addresses, exact birthdates, and pictures. Do not share your password with anyone besides your teachers and parents.
- Stop, Block, and Tell! (Don't respond to any cyber bullying message; block the person sending the message; tell a trusted adult.)
- Linking to websites to support your thoughts and ideas is recommended. However, be sure to read the entire article prior to linking to ensure that all information is appropriate for a school setting.
- Do your own work! Do not use other people's intellectual property without their permission. Be aware that it is a violation of copyright law to copy and paste other's thoughts. It is good practice to hyperlink to sources of which you might refer.
- Students should be aware that pictures may also be protected under copyright laws. Verify you have permission to use images.
- How you represent yourself online is an extension of yourself. Do not misrepresent yourself by using someone else's identity.
- If students see inappropriate material that makes you feel uncomfortable or is not respectful, report it to a parent or teacher right away.

## **FOOD SERVICE MANAGEMENT**

### ***(Meal Charges)***

All students that attend Lee's Summit R- 7 are provided the opportunity to purchase meals at each school cafeteria in accordance with the National School Lunch/Breakfast Program. The following guidelines shall be followed in the instance that a student finds it necessary to charge a meal due to a lack of funds in their account.

Parents/guardians are solely responsible for providing their children with meals, either through money to purchase meals at school or by packing a meal from home. If for any reason a parent/guardian cannot afford to provide a meal for their child, they can apply for Free and Reduced meal benefits. A hard copy application may be printed from our district website at: [www.leessummitsschoolnutrition.com](http://www.leessummitsschoolnutrition.com). Applications (in most languages) are available. A household may also apply for free and reduced meals online at: [www.heartlandapps.com](http://www.heartlandapps.com).

Parents/guardians are encouraged to deposit money in their student's meal account by accessing our nutrition online payment portal at: [www.myschoolbucks.com](http://www.myschoolbucks.com) to make sure adequate money is readily available to purchase school meals. This will eliminate the need for parents/guardians to send money with the child each day. Parents/guardians can also deposit money by sending a check or cash directly to the school or with their student in an envelope with the student's ID number, name and amount of deposit.

## **Notice**

At the beginning of each school year, a copy of this procedure will be provided to every parent/guardian in the district as required by law. In addition, a copy of this procedure, along with information about free and reduced-price school meals, will be provided to the parents/guardians of all students who enroll after the beginning of the school year.

A copy of this procedure will also be provided to all building administrators, staff responsible for collecting payment for meals at the point of service, staff involved with notifying parents/guardians about account balances, school social workers, nurses, counselors, the district liaison for homeless children and youths, and any other staff who regularly assist students in need.

A copy of this procedure will also be posted on the School and Nutrition Services website, and information about charging meals will be included in the student handbook.

## **Employees**

Employees will not be allowed to charge meals.

## **Students**

1. Students may not charge à la carte items. Students are expected to pay for à la carte items prior to or at the time of receipt.
2. A student with money in hand will not be denied a meal even if the student has past due charges. Cash may be used to purchase a meal or ala carte items.
3. Students will not be identified, singled out, shamed or punished by the district for the failure of their parents/guardians to pay for or provide meals, and the district will not withhold student records in violation of law.

## ***Interventions***

The district will provide the following notifications when a student/employee reaches specific unpaid meal charges:

1. After a student accumulates five dollars (\$5.00) of unpaid meal charges, School Messenger will notify households of negative account balances not more than two times per week.
2. Nutrition Services will provide administration a list of student charges on a weekly basis.

District employees are mandated by the state of Missouri to report any instances of suspected abuse or neglect to the Children's Division (CD) of the Department of Social Services. District personnel will report to the CD any instance where a student's arrival at school with no provision for food leads to a reasonable cause to suspect neglect.

Additionally, the district will provide the following interventions via the principal and/or counselor:

1. Meet with the student to assess to the extent possible whether the student or the student's family is experiencing hardships, barriers or other circumstances with which the principal or counselor could assist.
2. Make repeated attempts to contact the parents/guardians to inquire about any assistance that might be needed to complete the free and reduced-price meals application, discuss the situation and any other concerns the principal or counselor may have after meeting with the student, provide other resources as applicable and resolve the situation.
3. Provide other resources as applicable.

### ***Notifications to Parents/Guardians***

The district will provide timely notification to parents/guardians when account balances run low (when applicable) and when account balances include unpaid charges. Parents can sign up for free at [www.myschoolbucks.com](http://www.myschoolbucks.com) to receive email alerts for low balances.

### **Debt Collection**

#### ***Delinquent Debt***

Unpaid meal charges will be considered a delinquent debt 90 days after notice that charges are due when no payment or payment plan agreement has been made. Unpaid charges will be considered delinquent as long as the district determines the debt is collectible and efforts to collect the debt are ongoing. The district will make reasonable efforts to collect delinquent debt, including turning over unpaid meal charge balances to a collection agency when the superintendent or designee determines such action is in the best interest of the district. The district's Nonprofit School Food Services Account (NSFSA) funds may be used to cover the costs of reasonable efforts to collect delinquent debt, including costs associated with using a collection agency.

#### ***Bad Debt***

When the district determines that collection of delinquent debt is impossible or too costly, the debt will be reclassified as bad debt. Bad debt is debt that will be written off as an operating cost. These costs must be restored using nonfederal funds. NSFSA resources may not be used to cover any costs related to bad debt. Instead, local funds will be used to cover the costs.

#### ***End of Year Negative Balances***

By law, Nutrition Services is not allowed to pay for bad debt. Therefore, each school will pay for their student's outstanding meal charges at the end of each year. Parents will be required to re-pay the school when the following year enrollment is conducted.

#### ***Donations***

The district accepts donations from individuals or groups to help students and their families clear delinquent meal debt. Except as provided in Policy KH, donations for delinquent meal debt can be made to the Nutrition Services Angel Fund or to individual schools. Donations are accepted at Nutrition Services (702 SE 291 Highway, Lee's Summit, MO 64063) or at the school's cafeteria.

#### ***Refunds***

Any student accounts with positive balances at the end of the school year will be automatically carried over to the next school year. If requested, the balances will be refunded to the account owner. Students who will be graduating or have left the district will have account balances refunded to the account owner or transferred to another student account at the request of the

account owner. Requests for refunds should be submitted to Nutrition Services, 702 SE 291 Highway, Lee's Summit, MO 64063, Telephone: 816-986-2200.

### ***Unclaimed Funds***

All refunds must be requested within 90 calendar days of the last day of the current school year. Unclaimed funds (under \$ 5.00) for graduated seniors will be refunded at each school's cafeteria prior to the last day of the regular school year. After 90 calendar days from the last day of the current school year, unclaimed funds of students no longer enrolled, will become the property of the Lee's Summit R-7 Nutrition Services Angel Fund.

### ***Records***

The district will maintain detailed records pertaining to delinquent and bad debt, including:

1. Evidence of efforts to collect unpaid meal charges.
2. Evidence that collection efforts fell within the time frame and methods established by this procedure.
3. Financial records showing when delinquent debt became bad debt.
4. Evidence that funds written off as bad debt were restored to the NSFSA from
